

“Skills for Work” Workshop Series launched at the Department of Operations Management, University of Peradeniya in Collaboration with the MAS Holdings

The Department of Operations Management of the Faculty of Management, University of Peradeniya, under its iLinks project has recently launched a workshop series in collaboration with the MAS Holdings. This is a proactive strategy formulated by the Department to produce high quality employable graduates to meet the local and international demand in the area of Operations Management. Professor Milton Rajaratne, the Dean, Faculty of Management of the University of Peradeniya and Ms. Madhavi Shilpadipathi, Manager, MAS Talent Attraction and Management graced the inauguration ceremony held on 15 February, 2017 at the Auditorium of the Faculty of Management.
