

2nd Annual International Undergraduate Finance Research Conference (IUFRC) - 2022
The Sri Lanka Finance Association (SLFA), Hosted by the Department of Business Finance,
Faculty of Management

Department of Business Finance, Faculty of Management, University of Peradeniya, is planning to host the 2nd Annual International Undergraduate Finance Research Conference 2022 organized by the Sri Lanka Finance Association with the theme of “Value Creation Through Sustainable Finance”. The conference will be held on the 25th of November 2022 via the Zoom platform.

This conference provides a platform to showcase the research of finance undergraduates and facilitate them to present their research findings in front of finance academics, corporate practitioners and other interested parties locally as well as internationally.

The keynote speakers of the conference are Prof. Douglas Cumming, DeSantis Distinguished Professor of Finance and Entrepreneurship, College of Business, Florida Atlantic University, USA and Mr. Nishan Fernando, Chairman, First Capital Holdings PLC, Managing Director, BDO Consulting.

IUFRC 2022

Call for Papers 2nd Annual International Undergraduate Finance Research Conference 2022

“Value Creation through Sustainable Finance”

Papers are invited from undergraduates from Sri Lanka and worldwide, particularly from the emerging and frontier economies.

You are invited to submit your research findings in extended abstracts to be considered for presentation.

Visit www.slfa.lk for more details on the submission procedure and guidelines.

IUFRC provides a platform to showcase research of finance undergraduates. The conference facilitates the undergraduates to present their research findings in front of finance academics, corporate practitioners and other interested parties locally as well as internationally.
