

“Insight talks” career guidance session.

The Operations Management Students’ Society of the Department of Operations Management was organized a webinar to get an industry exposure on the field of Operations Management with the title of “Insight talks” on 09 July 2021 6.00 pm onwards via zoom platform. The target group for this session was the undergraduates who are specializing Operations Management in the Faculty of Management, University of Peradeniya. This session aimed to build awareness on the industry and career opportunities available for undergraduates who are specializing in Operations Management.

Dr. Ranil Sugathadasa, Senior Lecturer, attached to the Department of Transport and Logistics Management, Faculty of Engineering, University of Moratuwa was the chief guest and the keynote speaker for the event. The feedback from the participants suggests that this session was a huge success in achieving these aims.
